SPRING 2020

About the Center

OUR MISSION

The Center for Advancing Teaching and Learning Through Research (CATLR) seeks to inspire, equip, and connect learners, educators, and scholars to design, integrate, and research learning across experiences.

WHO WE SERVE

Reflecting our commitment to the idea that learning happens everywhere, CATLR provides services and programming that are open to all Northeastern educators, including faculty, staff/co-curricular educators, graduate students, and post-doctoral fellows.

HOW WE SUPPORT EDUCATORS

Grounded firmly in the learning sciences, CATLR leads the university in the creation of an inclusive and transformative learning ecosystem.

We offer:

- Programming on a variety of topics related to teaching and learning
- Individual consultations on any aspect of teaching and assessment for individual educators as well as departments, programs, and units
- Cohort programs and inquiry groups for extended engagement opportunities
