

CATLR

EVENTS & PROGRAMS

SPRING 2023

ABOUT OUR CENTER

WHO WE SERVE

Reflecting our commitment to the idea that learning happens everywhere, CATLR provides services and programming that are open to all Northeastern educators, including faculty, staff/co-curricular educators, graduate students, and post-doctoral fellows.

HOW WE SUPPORT EDUCATORS

Grounded firmly in the learning sciences, CATLR leads the university in the creation of an inclusive and transformative learning ecosystem.

WE OFFER

- Programming on a variety of topics related to teaching and learning
- Individual consultations on any aspect of teaching and assessment for individual educators as well as departments, programs, and units
- Cohort programs and inquiry groups for extended engagement opportunities

EVENTS

Please **register online** by clicking on any event title. All events are virtual and synchronous unless otherwise noted. All times are in Eastern Time.

FUTURE FACULTY PROGRAM

Graduate students and postdocs can sign up for the Future Faculty Program, a self-paced program that prepares you for teaching responsibilities in higher education and developing your materials for the academic job market. For more on the Future Faculty Program, go to <http://learning.northeastern.edu/ffp>.

KEY:

Event open to all educators and also fulfills a requirement for graduate students and post-doctoral fellows pursuing the [Future Faculty Program](#).

FORMATS

WORKSHOP

Hands-on, interactive session on a specific topic or practice.

INQUIRY GROUP

A series of sessions for ongoing dialogue and engagement with a specific topic or practice.

EDUCATOR EXCHANGE

Inclusive Strategies for Teaching Global Learners

Use the strategies in this workshop to improve the experience and outcomes of culturally and/or linguistically diverse learners.

FF

WORKSHOP

2023 Conference for Advancing Evidence-Based Learning

SAVE THE DATE MAY 3, 2023

The conference brings together educators from across Northeastern's global network to showcase and inspire research and evidence-based practice in teaching and learning. This year's virtual conference focuses on the intersection of experiential learning and inclusion across Northeastern's rich constellation of learning opportunities.

Visit our website for ideas and resources in assessment, diversity and inclusion, experiential learning, and more.
